

Streamline Your Background Checks with LiveScan, PrintScan, and Mobile Fingerprinting Services

Need a fast, reliable way to complete your background checks? Whether you're applying for a job, adopting a child, purchasing a firearm, or securing a federal clearance, fingerprinting services are a crucial step. At **NotaryPro Today**, we specialize in **LiveScan fingerprinting**, **PrintScan services**, and **mobile fingerprinting Tacoma** to make your background check process smooth, secure, and stress-free.

Why Choose LiveScan, PrintScan, and Mobile Fingerprinting?

LiveScan fingerprinting electronically captures fingerprints, sending them directly to agencies like the FBI for faster and more accurate results. **PrintScan** services create professional-quality fingerprint cards (**FD258**, **FD1164**) needed for various legal, employment, and licensing purposes.

Whether you need a **federal level background check**, an **ATF eForms 1 and eForms 4** submission, **DOJ background checks**, or a **FINRA** background screening, we have you covered. We are a trusted **livescan FBI channeler**, ensuring your fingerprints reach the right destination quickly and securely.

Our services are ideal for:

Professionals: Required to complete **federal background checks** for healthcare, finance, or education jobs.

Adoptive Parents: Undergoing **DOJ background checks** during the adoption process.

Firearm Owners: Submitting applications through the **ATF eForms system**.

Immigrants and Expats: Handling work visa and immigration background requirements.

Students and Academics: Completing checks for internships, fellowships, and study abroad programs.

Business Owners: Vetting new hires with **First Advantage mobile digital fingerprinting** solutions.

Secure, Mobile, and Convenient Services

At **NotaryPro Today**, we bring services to your doorstep with **mobile fingerprinting Tacoma**. Whether you're at a hospital, nursing home, corporate office, or long-term care facility, we come to you for ultimate convenience. We also offer **Vault ID archiving**, securing your fingerprint records for future use.

Need notarization along with your fingerprinting? Our team also offers **mobile notary**, **remote online notary**, and **notary public Tacoma** services to streamline all your legal document needs.
